### **MOBIL STEEL EMPLOYEES HONOR THE HOLIDAY SPIRIT**

**HOUSTON (December 23, 2015)** – [Mobil Steel International, Inc.](#) management and employees recognized the Holiday Season with more than a Christmas luncheon today. Mobil Steel employees reflected on the spirit of the Holiday Season and acknowledged local charities selected to receive contributions and service from the Houston steel fabricator’s employees.

Mobil Steel participated in the NRG bike giveaway for children in underserved communities, as well as gave to MD Anderson, Sagemont Helping Hands, The Special Olympics, and Boys & Girls Country of Houston. Annually, Mobil Steel supports college scholarships for students interested in the contractor industry through the Associated Builders and Contractors Scholarship Foundation.

‘In the true spirit of the Holiday Season, in lieu of Christmas cards, Mobil Steel employees elected to provide contributions to charities this year,’ said President & CEO Leonard A. Bedell. ‘Our management and employees worked hard and enjoyed a successful year. We know we have been blessed. We are doubly-blessed when we can help others achieve success.’
